WELCOME

We warmly welcome a new family to the LTSS team. The Isaac family which includes Gemma (Yr 6), Zoe (Yr 4), Jaqi (Yr2) and Holly (Prep) have come to us from Toobanna State School near Ingham. We wish them an enjoyable learning journey whilst at LTSS and if you see their Mum (Leah) around make sure you give her a cheery welcome as well.

HEAD LICE~ NO WELCOME FOR THEM!

A few cases have been reported, and those parents are treating their child’s hair with treatment. Please be VIGILANT with this pest so it can be controlled. Please remember treatment is FREE OF CHARGE from the school. Just a call or note and a bottle of treatment can be discreetly sent home. If your child is found to be infested whilst at school you will be asked to collect him/her and they are not to return until treatment is administered. We all need to pull together to keep this pest out of our school.

What’s Been Happening?

- Did you see LTSS in the latest edition of the Cassowary Coast Independent News?…… front page!!! What an hour of enchantment and joy our kids experienced leaving each and everyone with beautiful memories. Opera Qld was able to come to our school and perform exclusively for our students. Once again a huge thanks to our P&C Association who funded the admission costs so each and every child could witness the spectacle of Opera in their very own backyard! As quoted from one P&C member “this is what we raise money for through cake stalls, cent sales and other fundraising events”. A credible expression of charity from which all our students benefit.

- The Year 5/6 class travelled to Cairns on Friday to view an interactive exhibition ‘The Spirit of ANZAC Centenary from the Australian War Memorial. What a powerful and stimulating experience for our students. All were in awe of what our servicemen and women who have worn an Australian uniform experienced and sacrificed for our country and our freedom. An extremely moving display using a mix of visuals, artefacts, audio and film which engaged our students and the hundreds of other visitors whilst at the exhibition. Have a chat to any of the Yr 5/6 students to gauge their thoughts and reflections of the day.
